PROVIDING SCHOLARSHIPS TO INSPIRE SCHOLARSHIP - MAY 14, 2010

REMINDER

The Awards Assembly is May 19 at 6 p.m. All parents and grandparents are encouraged to attend!

Don't Forget!

The last day of school is June 4. It is Field Day and there will be a noon dismissal.

HAMLET

at the Shakespeare Festival in Forest Park is June 3. All students are invited to attend. We will be leaving City Academy at 5:30 p.m.

Thanks to All City Academy Families!

The admissions and re-enrollment season ended in mid-March, and as Mr. Danforth likes to say, "This year is our best year yet!" We received over 170 applications for only 30 spaces available next year. Thanks for all that you did to help! A majority of the families who made inquiries or applied to City Academy found out about us through our current families or staff.

Another great piece of news: more City Academy families re-enrolled for the next year than ever before. Thanks for your continued commitment to our community and its values. Last Saturday, our New Family Ice Cream Social gave newcomers a taste of the fun and welcoming atmosphere that you have helped create at our school!

Congratulations, Sixth Graders!

Just a few months ago, we were sharing the laundry list of responsibilities that our sixth graders and their families faced, such as applications, interviews, and the ISEE (Independent Schools Entrance Examination).

After all that preparation, the sixth graders and their families know a little more about what's ahead of them. Among City Academy's Class of 2010, 11/13 students will be attending an independent or private school for their 7th grade year. These students will receive more than \$175,000 in financial aid for next year—clearly, their new schools are excited to welcome them!

Below is the list of schools our graduates will attend:

- (2) Crossroads College Preparatory School
- (1) John Burroughs School
- (2) Mary Institute & Country Day School
- (1) Pattonville Middle School
- (1) River Roads Lutheran School
- (2) Saint Louis Priory School (not including one early decision commitment for the 2011-2012 school year)
- (1) Thomas Jefferson School
- (1) Visitation Academy
- (1) Whitfield School
- (1) N/A – moving out of town

Our placement efforts continue as our fifth graders launch their secondary school admissions process this month with campus visits. We hope you will compliment our sixth graders for a job well-done...and wish our fifth graders luck!

**Best regards,
Nikki & Haliday**
